The **University of Messina** was founded in 1548 and has an ancient tradition going back more than 500 years.

Today, it is a particularly young university that is constantly projecting itself into the future.

This is a natural vocation for UniMe because of its location at the centre of the Mediterranean, facing the Strait of Messina, has always been a place of meeting and interaction between diverse cultures.

The **UniMe Welcome Point** provides new students with a service designed to inform and support in the registration procedures, general information on enrolment procedures and on all the student services and facilities offered by UniME.
