Economics

Duration

1 year

Vocational Master in

BANKING & FINANCE

→ Programme overview

This programme provides students with the knowledge and skills appropriate to careers in the banking, financial and corporate sectors. Graduates can work as financial investors, stock brokers, commercial banking and corporate finance.

The Vocational Master in Banking and Finance will enable students to acquire the knowledge necessary to professionally manage and advise on assets of any amount. The course is aimed at both professionals in the financial sector and graduates without experience wanting to work in:

banking and financial markets

asset portfolio management

investment consultation

After completing the course, students have the possibility to enter the second year of the Master's degree programme in Economics & Finance.

→ Minimal entry requirements

Students should hold at least a three-year undergraduate degree in any subject. Scan the QR Code for further admission requirements criteria.

→ Language requirements

International English language certificate issued by an Institution recognised by the Italian Ministry of University and Research (MUR), B1 level of the Common European Framework of Reference.

→ Study programme

The course is structured in three terms. First term (October-December): pre-courses in mathematics and statistics and English for business.

During the second term (January-July) students will attend 8 core courses:
At the end of each module, students will take a written examination.

- 1. Advanced mathematics for economics and finance
- 2. Econometrics for finance
- 3. Corporate finance
- 4. Investment management
- 5. Applied financial econometrics
- 6. Banking regulation
- 7. Macro-Finance
- 8. Asset and risk management

Third term Students (August-September) will prepare their final dissertation under the supervision of an academic staff member. In addition, they will be required to take an internship either in a bank or financial company or insurance company.

Vocational Master in

**BANKING
& FINANCE**

→ International opportunities

UniME students have the opportunity to participate in the Erasmus+ Mobility programme both for study and training. Calls are published on the site twice per year.

Another opportunity for students is the UniME Funded programme "Students Around the World" (SAW) call for scholarships for study at the extra-European universities in the context of international cooperation agreements. For further information please visit our site.

→ Tuition fees

€ 2,500 payable in 5 instalments.

You can never be worried about anything in this university because the Welcome Point will always be there to assist you.
