**Duration**

**2 years**

Master's Degree in  
**BUSINESS  
CONSULTING AND  
MANAGEMENT**  
(curriculum in International  
Management)

## → Programme overview

*The course is focused on the main international issues involving management activities in the business world. It mainly focuses on studies in the areas of management and business economics integrated with quantitative and juridical knowledge. Students will acquire the required interdisciplinary knowledge and ability to understand and implement the policies and strategies that firms are called on to put in place in an international environment.*

*The programme is particularly suitable for students who have earned a business or finance-related undergraduate degree and are now looking for a specialisation in the international management area.*

*A double degree programme is available from the Faculty of Management at the University of Science and Technology of Cracow (Poland).*

## → Minimal entry requirements

*Admission will be granted to the candidates having a Bachelor's degree that includes the following:*

*34 ECTS in the Business/Management area*

*24 ECTS in the Economic area*

*24 ECTS in the Juridical area*

*22 ECTS in the Mathematics/Statistics area*

*The course commission will evaluate the candidate's curriculum for admission.*

*Scan the QR Code for further admission requirements criteria.*

## → Language requirements

*International English language certificate issued by an Institution recognised by the Italian Ministry of University and Research (MUR), B1 level of the Common European Framework of Reference.*
