Specific entry requirements for qualifications awarded by non-Italian educational institutions

Important notice

The following document lists the education paperwork required from students who possess an international academic qualification to apply for a degree programme at the University of Messina (UniME). Education documents to be uploaded must be translated into English or Italian.

The database takes into consideration the specificities of the foreign educational systems. Therefore, depending on the country where the academic qualification was awarded, there might be **different documents and/or requirements** that need to be submitted for each application. The information provided **does not aim to be totally comprehensive** as the document accounts only for the countries from which UniME received the largest number of applications in the past academic years. Therefore, prospective students can also apply even if their country is not listed.

According to the European Research Council (ERC) domains, UniME **Degree programmes taught in English are grouped** as follow:

- **Physical Sciences and Engineering (PE)**
 - Bachelor's degree in: Data Analysis; Civil Engineering;
 - Master's degree in: Data Science; Engineering and Computer Science; Geophysical Sciences for Seismic Risk; Physics: Condensed Matter Physics

- **Life Sciences (LS)**
 - Single Cycle degree in Medicine and Surgery
 - Bachelor's degree in marine sciences and blue biotechnologies

- **Social Sciences and Humanities (SH)**
 - Bachelor's degree in political sciences and international Relations;
 - Bachelor's degree in transnational and European legal studies
 - Master's degree in Cognitive Sciences and Theory of Communication; Business Consulting and Management (Curriculum in International Management).
 - Vocational Master in Banking and Finance; Food, Quality and International Management

The decision on whether the qualification submitted complies with the entry requirements of the selected degree programme rests with the International Mobility Unit.
